January 25 - May 16, 2016
Montgomery, Alabama

The Alabama Legislative Internship Program was established to involve student interns in the state legislature by allowing them to observe and participate in the legislative process of state government.
MEET YOUR STATE LEADERS
LEARN ABOUT LEGISLATIVE COMMITTEE WORK
LEARN ABOUT THE LEGISLATIVE PROCESS

The internship coincides with the 2016 Regular Session of the Legislature. Interns report to the State House in Montgomery a few days prior to the start of the session and work 32 hours per week until the end of the session. Most Alabama colleges and universities will approve college credit for this internship if coordinated in advance.

“Before I came to the State House, I had no idea I would leave with this much knowledge and respect for the political process. Having participated in such a great and well organized internship, I was able to meet people and do things some other college students would never get the chance to do—from meeting extraordinary state leaders to taking amazing tours and, most importantly, being able to be a part of the political process.” Rashad, Legislative Intern, 2015
