

<http://www.cla.auburn.edu/apmrt/foster-parents/>

- **Success:** Child voids in the toilet during a scheduled sit or after an independent request to use the bathroom
- **Accident:** Child voids anywhere except a toilet
- **No Success:** Child sits on toilet but does not void
- **Accident/Success:** Child has an accident then successfully uses the toilet within 1 minute of being on the toilet (see “Potty Do’s and Don’t’s” for what to do during an accident)
- **Independent Request:** Child independently asks for the bathroom

Date	Time	Time Between Sits (min)	Circle One		Independent Request	Notes
			Success Accident	No Success Accident/Success	Y N	
			Success Accident	No Success Accident/Success	Y N	
			Success Accident	No Success Accident/Success	Y N	
			Success Accident	No Success Accident/Success	Y N	
			Success Accident	No Success Accident/Success	Y N	
			Success Accident	No Success Accident/Success	Y N	
			Success Accident	No Success Accident/Success	Y N	
			Success Accident	No Success Accident/Success	Y N	
			Success Accident	No Success Accident/Success	Y N
