Parking

Clients of AUPSC are provided with a parking pass to use while on campus for appointments only. When you arrive for your appointment, please park in one of the dedicated parking spots on Miller Drive. These 4 spots are identified with signs that read "Restricted Parking-Client Parking with Permit." Once you've parked, enter Cary Hall and go to the waiting room, room 101, and a staff member will give you a reusable parking hangtag to display in your car.

If you are affiliated with Auburn University and have registered for parking, we ask that you please use your University designated parking lots. If no dedicated client spaces are available, please call our clinic at 334-844-4889 and we will assist you. Clients are not allowed to park in service vehicle spaces. Clients with a current, posted disability access license plate or tag may park in accessible spaces. There are several accessible spaces located near Cary Hall.
