* = you must have a departmental "Exemption from Requirement" form on file for each substitution					** indicate whether semester or quarter credit hours				
*** = MS degree requires these courses, plus thesis, plus 17 additional credit hours of coursework to meet minimum 30 semester hours for MS degree.									
**** = the Clinical program has elected to allow students to fulfill this requirement with an alternate course: PSYC 8970 Diversity in Clinical Psychology (3). If you are substituting PSYC 8970 Diversity in Clinical Psychology (3), please put the details of that course in the Substitute Course columns on the right half of the worksheet on the COUN 7330 line.
