Verses 1 & 2:

```
START N.C. Ensemble:

1. Don't want to be an American idiot.
2. Well, maybe I'm the faggot A-mer-i-ca.

(Drums)

N.C.

Don't want a nation under the new media.
I'm not a part of a red-neck agenda.
```
Hey, can you hear the sound of hysteria?
Now every body, do the propaganda!

The subliminal mindfuck, America.
And sing along to the age of paranoia.

Chorus:
Welcome to a new kind of tension all across the alienation,

where everything isn't meant to be okay.

*Cue size harmony 2nd time only.
Television dreams of tomorrow, we're not the ones meant to follow,

for that's enough to argue.

(Drums)
